WHAT IS A BILL?

- A bill is a formal, written legal document introduced by a member of the General Assembly to change the law.
- The term “bill” refers to the document from the time it is drafted and delivered to the member until it is considered and passed by both the House and the Senate.
- After being enacted (passed) by the General Assembly, the bill becomes an “act.”

RESOLUTIONS

The General Assembly also considers and votes on resolutions.

- Simple resolution – H.R. or S.R.
 - Voted on by only one house
- Concurrent resolution – H.C.R. or S.C.R.
 - Voted on by both houses
- Joint resolution – H.J.R. or S.J.R.
 - Voted on by both houses
 - Joint resolutions are only used for certain purposes

BILLS VS RESOLUTIONS

A bill:

- Creates or changes Ohio's laws;
- Is subject to the Governor's approval or veto; and
- Is subject to the referendum, unless an exception applies.

The General Assembly may make laws only by bill, not by resolution.
(Ohio Constitution, Article II, Section 15)

A resolution:

- Typically, expresses the General Assembly's opinion about a matter or adopts internal legislative rules or procedures;
- Is not subject to the Governor's approval or veto; and
- Is not subject to the referendum.

Special procedures apply regarding joint resolutions.

JOINT RESOLUTIONS

- Joint resolutions are used:
 - To propose an amendment to the Ohio Constitution, subject to the approval of the voters;
 - To call for a federal constitutional convention;
 - To ratify proposed amendments to the U.S. Constitution; and
 - When otherwise required by custom or a statute.
- A joint resolution must be approved by both houses and filed with the Secretary of State.

ENACTING A BILL - THE BASICS

- The Ohio Constitution requires three separate considerations of a bill in each house of the General Assembly.
- A bill is enacted only after both the House and Senate have passed and agreed on identical versions of the bill.
- Bills not enacted by the end of a General Assembly die.

THREE CONSIDERATIONS

Each of these steps must occur in each house:

- First consideration

- The bill is introduced during session and the Clerk reads the bill's title.

- Second consideration

- The Rules and Reference Committee refers the bill to a standing committee.
- If the standing committee recommends the bill's passage, the Rules and Reference Committee schedules the bill for floor debate and a vote by placing the bill on the Calendar.

- Third consideration

- The bill is heard and debated during a floor session.

DRAFTING A BILL FOR INTRODUCTION

- When a legislator becomes aware of the need for legislation, the legislator or the legislator's staff asks LSC to draft a bill.
- Only members of the General Assembly or their staff may submit bill draft requests to LSC.
- LSC drafts the bill and returns it to the legislator for possible introduction. The legislator is not obligated to introduce the bill.
- For more information about requesting and receiving drafts from LSC, see [Course 1, LSC and the Services it Provides](#).
- For more information about the bill drafting process, see [Course 8, How to Read a Bill](#).

ODDS OF ENACTMENT

- Many of the bills LSC drafts during a General Assembly are never introduced.
- Most bills that are introduced complete only a few of the steps required for enactment, and do not become law.
- The following slide shows the historical odds that a bill draft will make it through the entire process and become a law.

BILLS DRAFTED, INTRODUCED, AND ENACTED

FIRST CONSIDERATION

- A bill has its first consideration when all of the following occur:
 - The bill is filed with the Clerk's office for introduction.
 - The Clerk gives the bill a number.
 - The Clerk reads the bill's title during floor session.
- Bill numbers are assigned by the Clerk consecutively in the order in which bills are introduced. A bill keeps its assigned number throughout that General Assembly.

SECOND CONSIDERATION

The Rules and Reference Committee reviews the bill and reports it back to the full House or Senate, recommending that the bill be assigned to a standing committee.

Referral Report

January 9, 2024

Representative Russo reported for the Rules and Reference committee recommending that the following House Bills and Senate Bills be considered for the second time and referred to the following committees for consideration:

H. B. No. 360 – Representatives Seitz, Brennan

To designate August 24th as "Ukraine Independence Day" in Ohio.

To the committee on Government Oversight

H. B. No. 361 – Representatives Abrams, Santucci

To expand eligibility for a 40-hour teaching permit.

To the committee on Primary and Secondary Education

H. B. No. 362 – Representatives Baker, Robb Blasdel

To revise the law governing the practice of certified registered nurse anesthetists.

To the committee on Health Provider Services

POSSIBLE COMMITTEE ACTION

- Committee action occurs between the second and third considerations.
- A committee may do one or more of the following:
 - Hold public hearings (meetings) regarding the bill
 - Refer the bill to a subcommittee
 - Consider and adopt amendments to the bill
 - Consider and adopt a substitute bill
 - Take no action (the bill dies)
 - Vote to report the bill and recommend that the full house pass the bill
- For more details, see [Course 6, The Committee System.](#)

POSSIBLE PLACEMENT ON THE CALENDAR

- After the bill is reported by a committee, it is sent to the Rules and Reference Committee, which decides whether to place it on the Calendar on a particular day for floor debate and a vote.
- On the Calendar, the bills that are scheduled for a vote that day appear **above the black line**. Bills below that line are not yet scheduled for a vote.

THIRD CONSIDERATION – FLOOR ACTION

The members of the full House or Senate may do any of the following when a bill is heard on the floor:

- Debate the bill
- Offer and adopt amendments to the bill
- Lay the bill or an amendment on the table, meaning no further action will occur on it
- Refer the bill back to committee
- Informally pass the bill, which delays the vote on the bill
- Vote on the bill
- Reconsider the bill

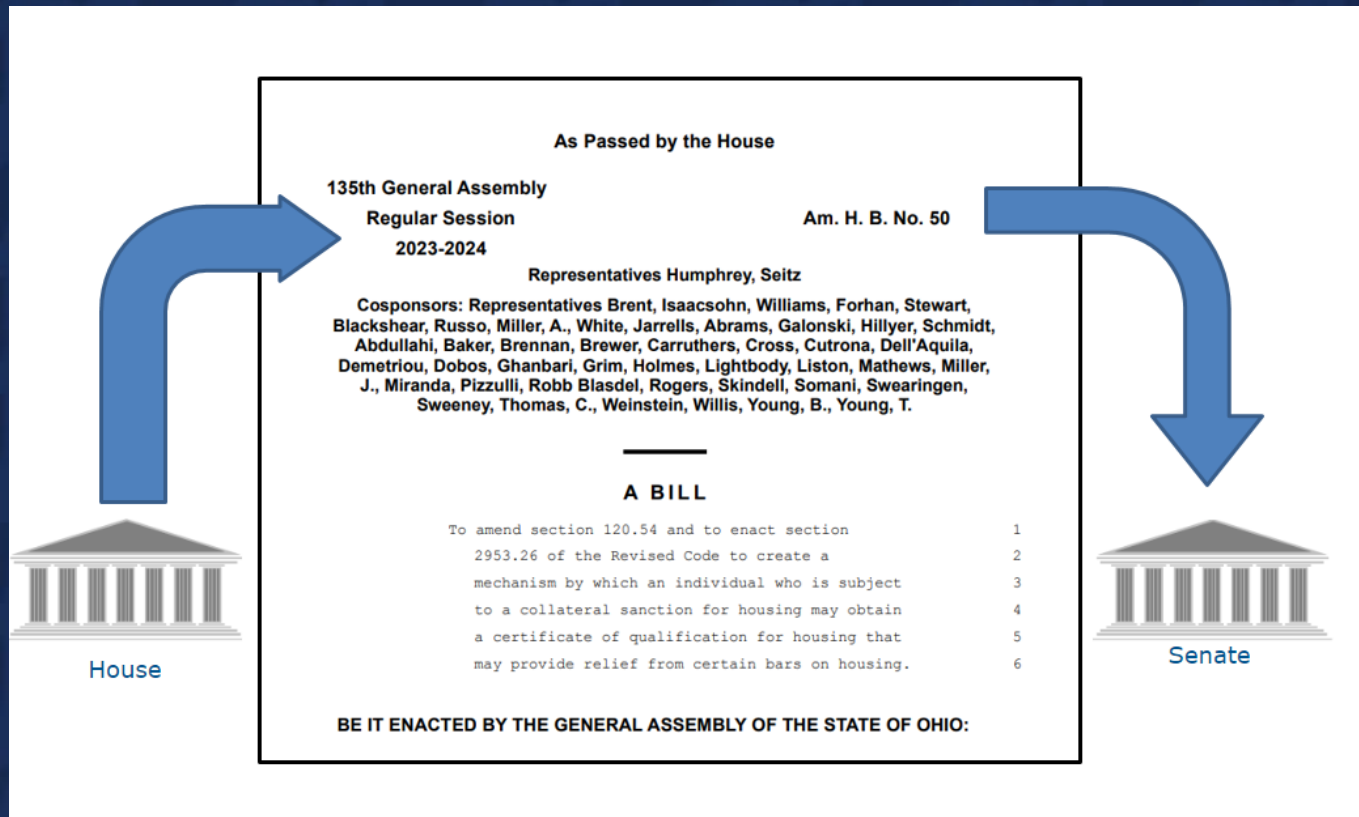

VOTES NEEDED TO PASS A BILL

- In general, a bill must pass by a simple majority vote.
- A bill with an emergency clause requires a 2/3 majority vote.
- A joint resolution proposing an amendment to the Ohio Constitution requires a 3/5 majority vote to place the proposal on the ballot.

	<i>Simple</i>	<i>3/5</i>	<i>2/3</i>
<i>House</i>	50	60	66
<i>Senate</i>	17	20	22

ON TO THE NEXT CHAMBER

If the bill passes, it is sent to the other house, where the process is repeated.

SECOND CHAMBER

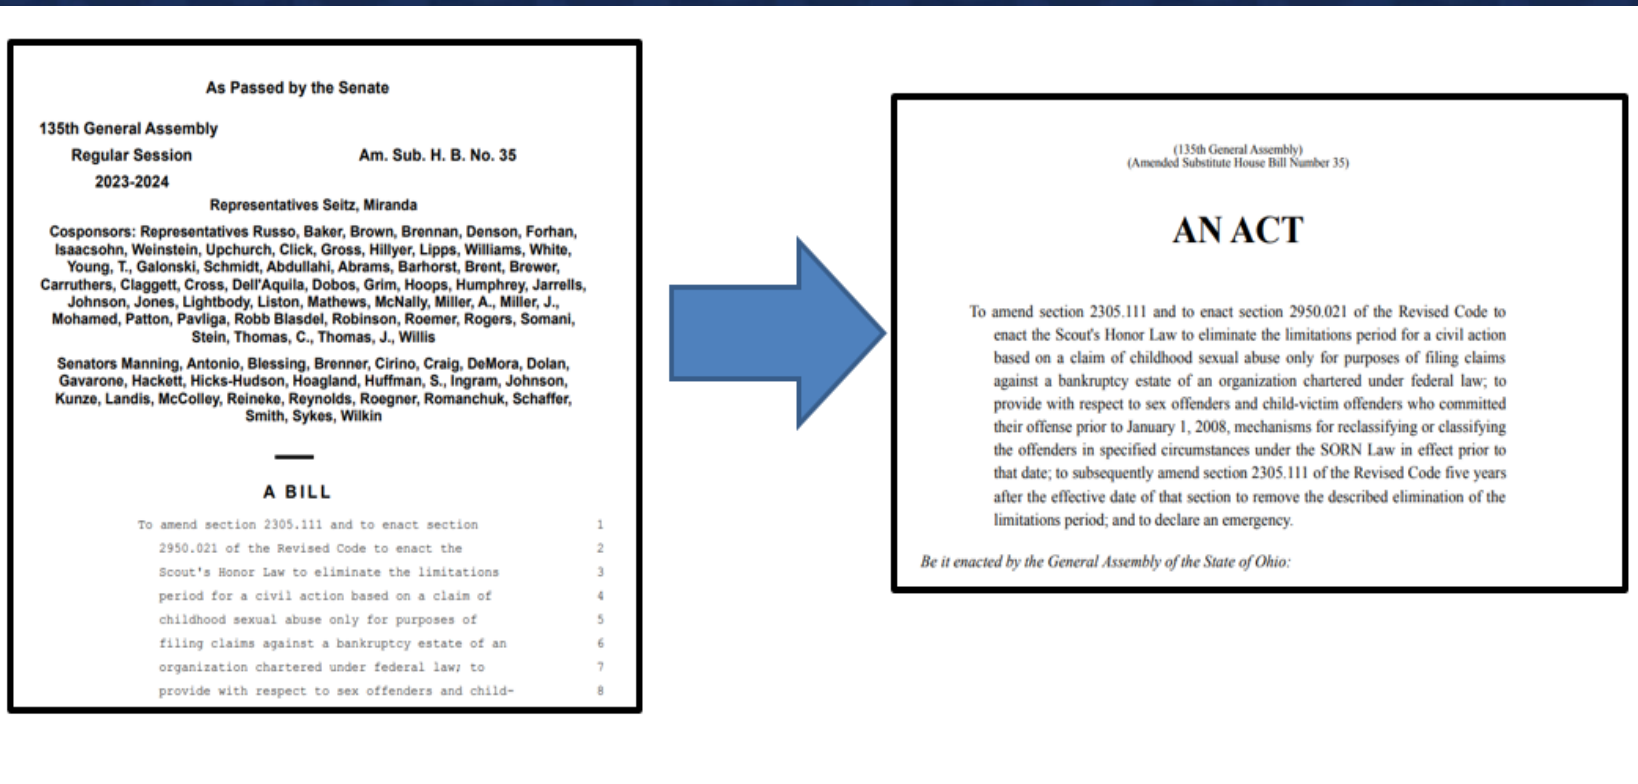

A bill that is in the second house must be considered three times, too!

- Introduction
- Assignment to standing committee
- Debate and floor vote

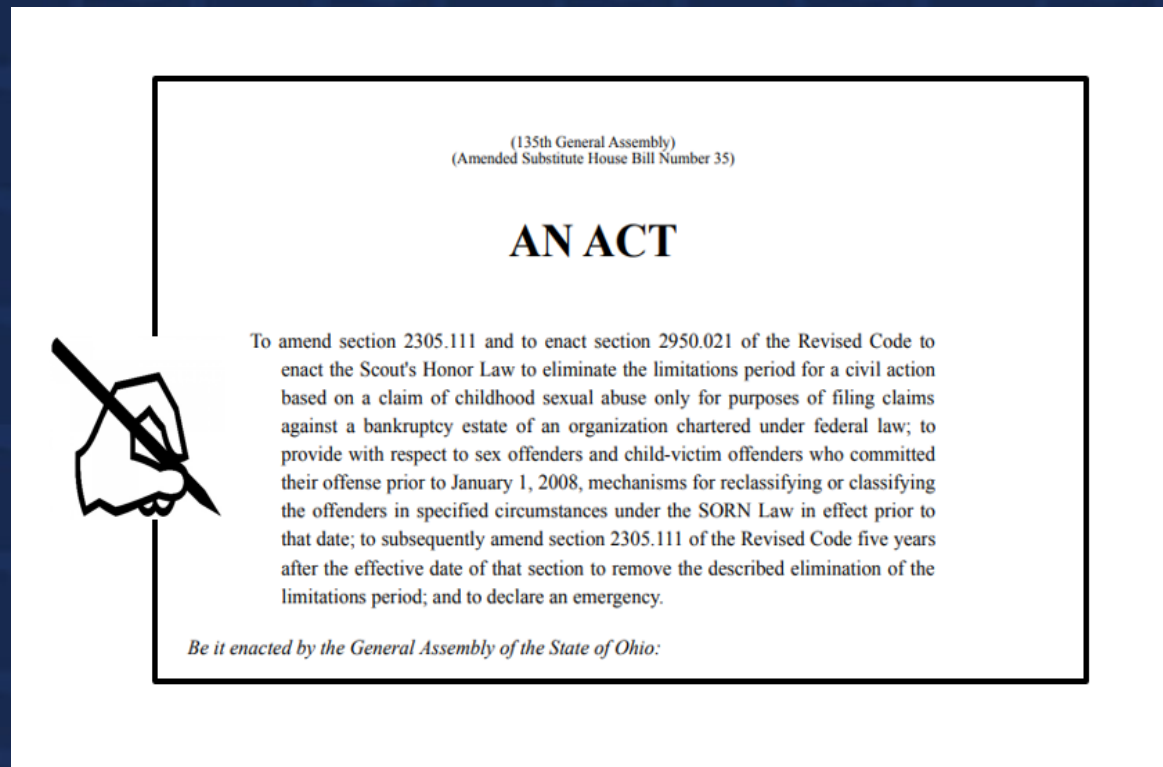

NO CHANGES IN THE SECOND CHAMBER

If the second house passes the bill with no changes, the bill is enrolled (printed as an act).

NEXT STEP TO BECOMING LAW

The bill then goes to the presiding officers of the House and Senate for signatures.

CHANGES MADE BY THE SECOND HOUSE

- If the second house passes the bill with amendments, it must ask the first house to agree to those changes.
- If the first house concurs in the amendments made by the second house, the bill is enrolled and goes to the presiding officers for signatures.
- If the first house does not concur in the amendments made by the second house, the bill dies unless a conference committee is appointed.

CONFERENCE COMMITTEE

- A conference committee generally consists of **three** members from each house (appointed by the Speaker and the President).
- The committee works to adopt a compromise between the first house's version of the bill and the second house's version of the bill.
- If the committee reaches a compromise, it reports back to both houses in the form of a conference committee report.
- Each house must vote on whether to agree to the report.
This is an up or down vote – no changes may be considered at this point.
- If the report is accepted, the bill is enrolled and goes to the presiding officers for signatures.
- If it is not accepted, the bill dies unless a new conference committee is appointed.

ONCE AGREEMENT IS REACHED

When both houses agree to the same version of the bill, the bill is enrolled (printed as an act).

(135th General Assembly)
(Amended Substitute House Bill Number 35)

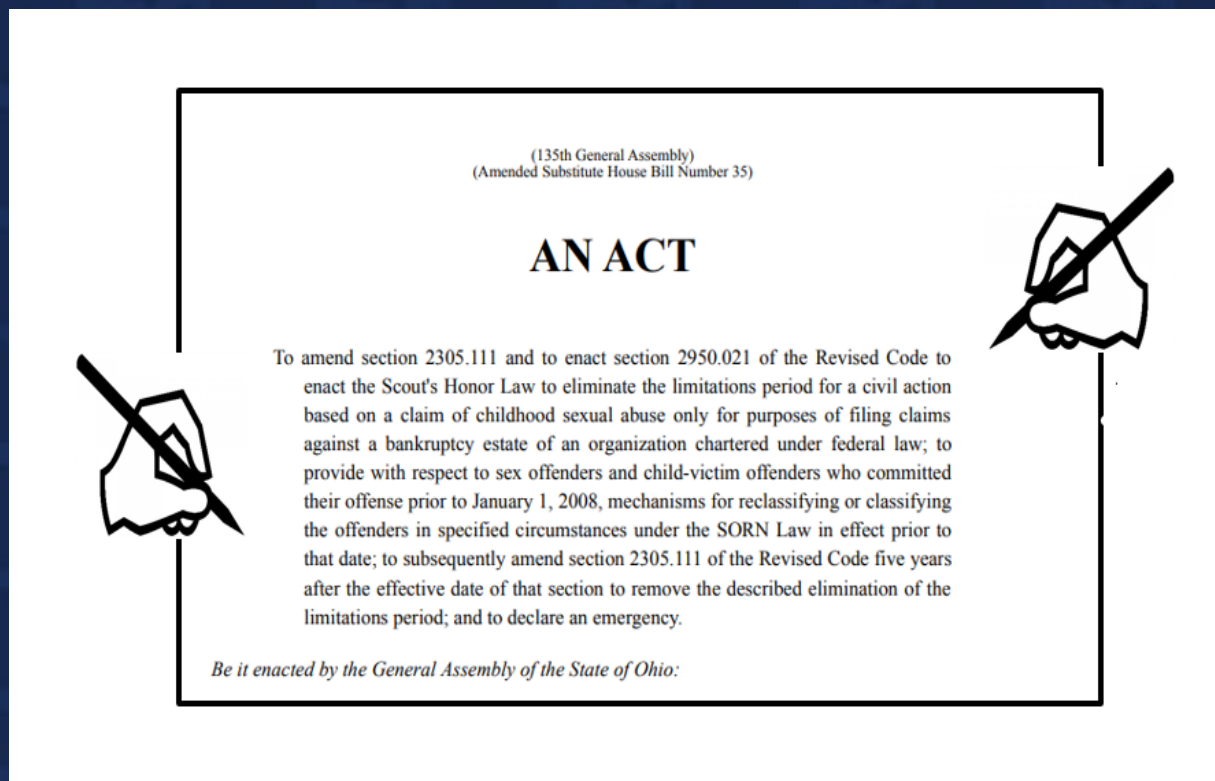

AN ACT

To amend section 2305.111 and to enact section 2950.021 of the Revised Code to enact the Scout's Honor Law to eliminate the limitations period for a civil action based on a claim of childhood sexual abuse only for purposes of filing claims against a bankruptcy estate of an organization chartered under federal law; to provide with respect to sex offenders and child-victim offenders who committed their offense prior to January 1, 2008, mechanisms for reclassifying or classifying the offenders in specified circumstances under the SORN Law in effect prior to that date; to subsequently amend section 2305.111 of the Revised Code five years after the effective date of that section to remove the described elimination of the limitations period; and to declare an emergency.

Be it enacted by the General Assembly of the State of Ohio:

AND THEN...

... and signed by the Speaker of the House and the President of the Senate.

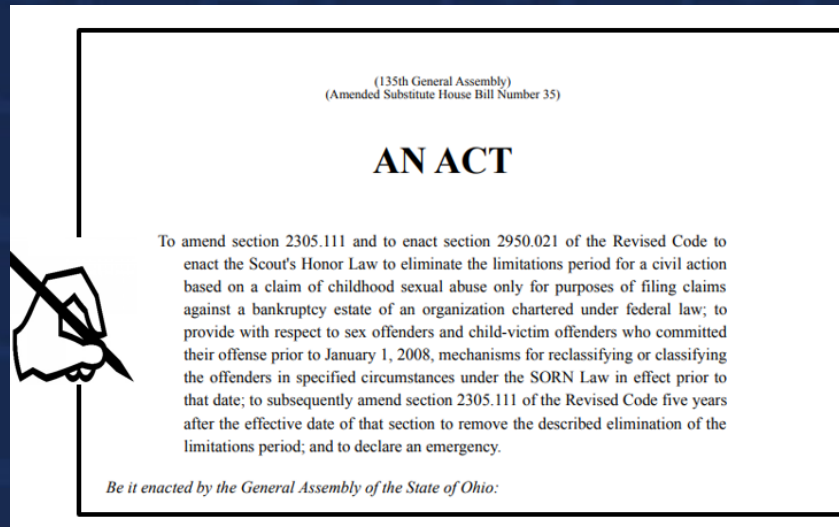

GOVERNOR'S ACTION

- Each act passed by the General Assembly must be presented to the Governor for approval before it becomes law.
- The Governor may do one of three things:
 - Sign the act;
 - Take no action and allow it to become law without signing it; or
 - Veto the act.

IF THE GOVERNOR TAKES ACTION...

- If the Governor **signs** the act, it becomes law upon the Governor's signature and is filed with the Secretary of State.
- However, the law **takes effect** on its effective date.

IF THE GOVERNOR DOES NOT TAKE ACTION...

- If the Governor **takes no action**, the act becomes law ten days after the Governor receives the act, excluding Sundays, and is filed with the Secretary of State. The law takes effect on its effective date.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1	2	3	4
5	6	7	8	9	10	11

IF THE GOVERNOR VETOES THE ACT...

- If the Governor vetoes the act, it does not become law unless members of both houses vote to override the veto by a 3/5 vote (20 senators, 60 representatives).

EFFECTIVE DATES

- A law usually takes effect on the 91st day after filing with the Secretary of State in order to give the people time to circulate a referendum petition. (See Course 4, Legislative Branch Functions.)
- However, under the Ohio Constitution, certain laws take effect immediately and are not subject to the referendum:
 - Laws providing for tax levies;
 - Appropriations for the current expenses of state government and state institutions; and
 - Emergency laws necessary for the immediate preservation of the public peace, health, or safety.
- In addition, some acts have a delayed effective date.
