# OUR AGENCY

---

- LSC is a centralized nonpartisan agency that provides legislative services to all 132 members of the state legislature and their staff, regardless of party or chamber.
- LSC's mission: To provide high quality, timely, confidential, nonpartisan services to all the members of the General Assembly.

# COMMISSION MEMBERSHIP

---

- The Legislative Service Commission is comprised of 14 members, all of whom are legislators—usually legislative leaders.
- The chair of the Commission alternates between the Speaker of the House and the President of the Senate each General Assembly.
- The Speaker and President each appoint six members, no more than four of whom may belong to the same political party.

# AN IMPORTANT DISTINCTION

---

- The Commission members hire a Director who is responsible for hiring LSC's staff.
- When people on Capitol Square refer to "LSC," they usually mean the LSC staff and not the legislators who serve as members of the Commission.

# WHO WORKS AT LSC?

---

LSC's staff includes a professional and support staff of about 150 employees.

# PROFESSIONAL STAFF QUALIFICATIONS

---

- LSC's experienced professional staff provides information and technical resources to legislators and staff.
- Approximately one-third of LSC's professional staff are attorneys and most of the remaining professional staff have master's degrees. Several have Ph.D.s.
- Most supervisors have at least 10 years of experience with LSC.

# IMPORTANCE OF LEGISLATIVE SERVICES

---

- LSC services help the General Assembly maintain its independence from the other two branches of government by providing legislators with an independent source of information.
- Legislators do not have to rely solely on the executive and judicial branches for information as they pursue their legislative work.

# PRIMARY LSC SERVICES

---

- LSC's primary services to the members and staff of the General Assembly include:
  - Drafting legislation (bills and amendments);
  - Providing legal and fiscal analysis on any subject, but particularly on pending legislation; and
  - Assisting standing committees.

# COMMITTEE STAFFING

---

- Each House and Senate standing committee has assigned LSC staff who serve the committee members.
- For each committee, LSC staff:
  - Prepare an analysis of each bill for its first hearing;
  - Prepare a fiscal note for each bill for its second hearing;
  - Monitor hearings and answer questions from members and their staff;
  - Upon request, draft amendments to bills being heard;
  - Upon request, conduct research.

# CONFIDENTIALITY

---

- If a legislator or legislative staffer asks LSC to conduct research or to draft a bill or amendment, LSC keeps that work confidential. LSC cannot reveal what work is being done for a member no matter who inquires, even if it is a member of the same political party.
- LSC may speak to interested parties or lobbyists about a confidential document, but only if the legislator requesting the document grants permission for LSC to do so.
- A document created by LSC for an individual member only becomes a public record when the legislator makes the document public.

# RESTRICTIONS ON LSC WORK

---

- Because LSC is a nonpartisan agency, LSC employees are prohibited from:
  - Providing legal advice;
  - Urging defeat or passage of legislation;
  - Advocating on any issue before the General Assembly;
  - Conducting political research, such as examining legislators' voting records;
  - Writing speeches, news columns, press releases, or letters to constituents;
  - Preparing committee testimony or soliciting cosponsors.

# REQUESTING LSC SERVICES

---

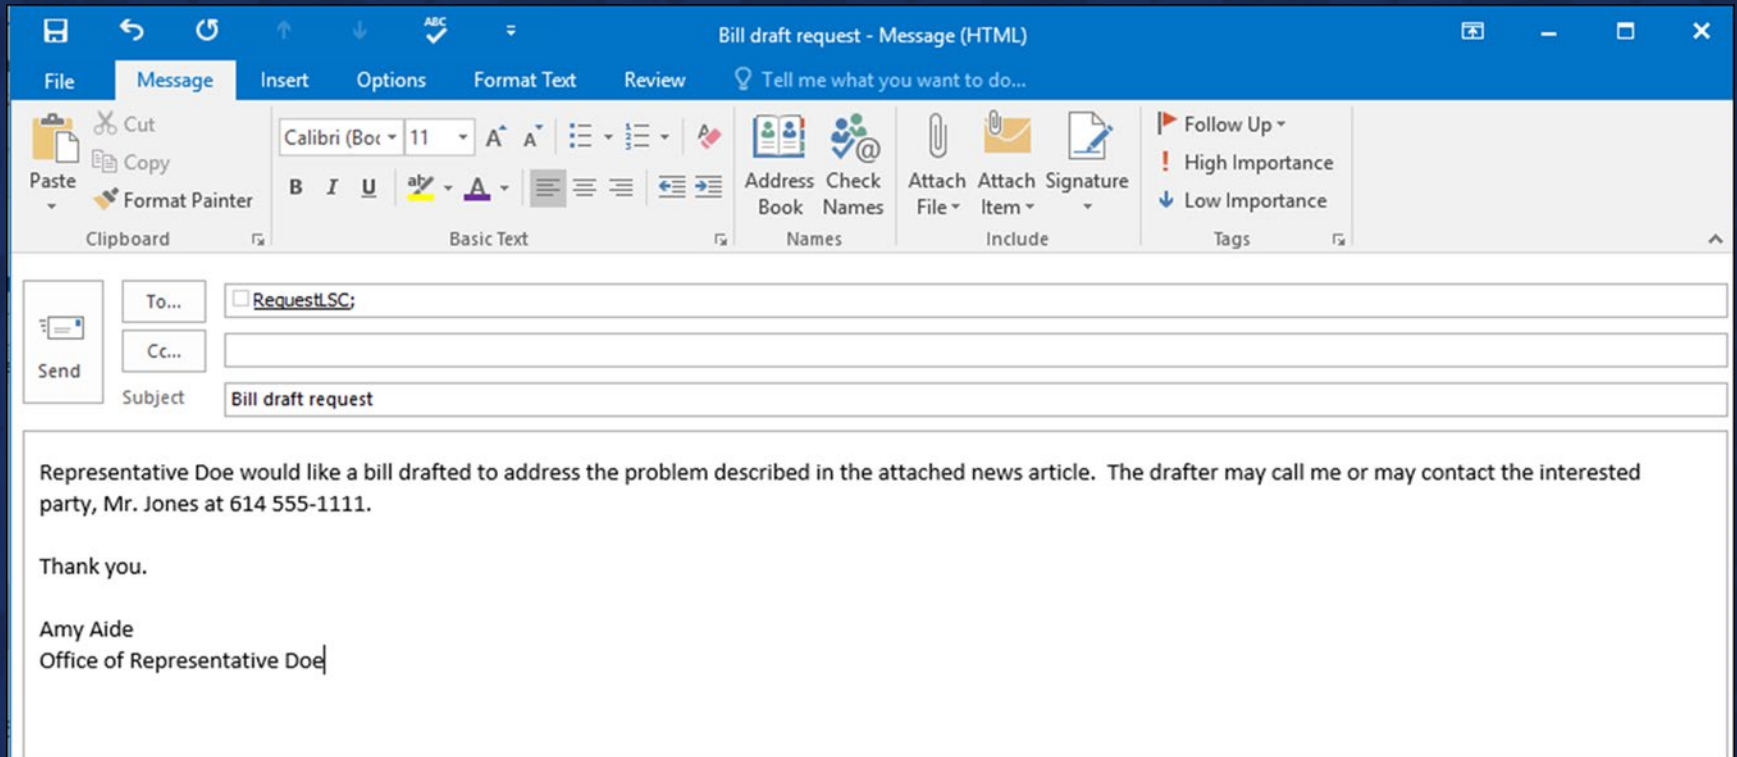

- Who may request assignments from LSC?
  - Members of the General Assembly
  - Legislative staff, with the member's authorization
  - Caucus staff, such as policy advisors and legal counsel
- LSC does not accept requests directly from executive agencies, lobbyists, interested parties, or other members of the public.
  - However, legislators and legislative staff may ask LSC to work with outside parties on an assignment.

# HOW TO SUBMIT A REQUEST

---

- Send an email to [RequestLSC@lsc.ohio.gov](mailto:RequestLSC@lsc.ohio.gov)
- Describe your request.
  - For example, “Rep. Doe would like a bill that changes the law to ...”  
OR “Sen. Smith would like LSC to research what Indiana and Michigan are doing to address ...”
- Attach any relevant information, such as constituent correspondence or a news article.
- Tell LSC whom to contact if the drafter has any questions.
- If the assignment is needed by a specific time, include the requested due date.

# SAMPLE REQUEST

# OTHER METHODS OF CONTACTING LSC

---

- You also may submit a request to any LSC staff person by email, by phone, in person, or on paper. All LSC staff have access to enter requests into our system.
- If your request is time-sensitive, please use caution when submitting it to an individual LSC staff person. An urgent email or voicemail might go unnoticed while a staff member is at a meeting, out sick, or on vacation.
- The [RequestLSC@lsc.ohio.gov](mailto:RequestLSC@lsc.ohio.gov) inbox is monitored at all times during business hours.

# ASSIGNMENT TURNOVER GOAL

- LSC works to have bill draft requests completed in **two weeks** and short-term research requests completed in **ten days**. Assignments may take longer if they are complex or if LSC must wait to receive information.
- Each bill or amendment draft undergoes a legal and technical review, and all documents are proofread.

# REQUESTS WITH A SPECIFIC DUE DATE

---

- A member may request that LSC complete an assignment by a specific date and time.
- For example, the member might need the bill or amendment in time to introduce a bill on a certain day or for a scheduled committee hearing.
- It is helpful if the person submitting a request to LSC:
  - Communicates the due date when the assignment is first submitted; and
  - Lets the drafter know as soon as possible if that deadline changes.

# REQUESTS WITH A SPECIFIC DUE DATE

---

- LSC makes every effort to accommodate special due date requests, subject to the complexity of the request and the agency's overall number of pending requests.
- LSC staff will work with the member to determine what is needed and what LSC is able to prepare in time to meet the deadline.
- If necessary, LSC staff will consult the LSC Director for guidance in prioritizing these requests with other time-sensitive work.

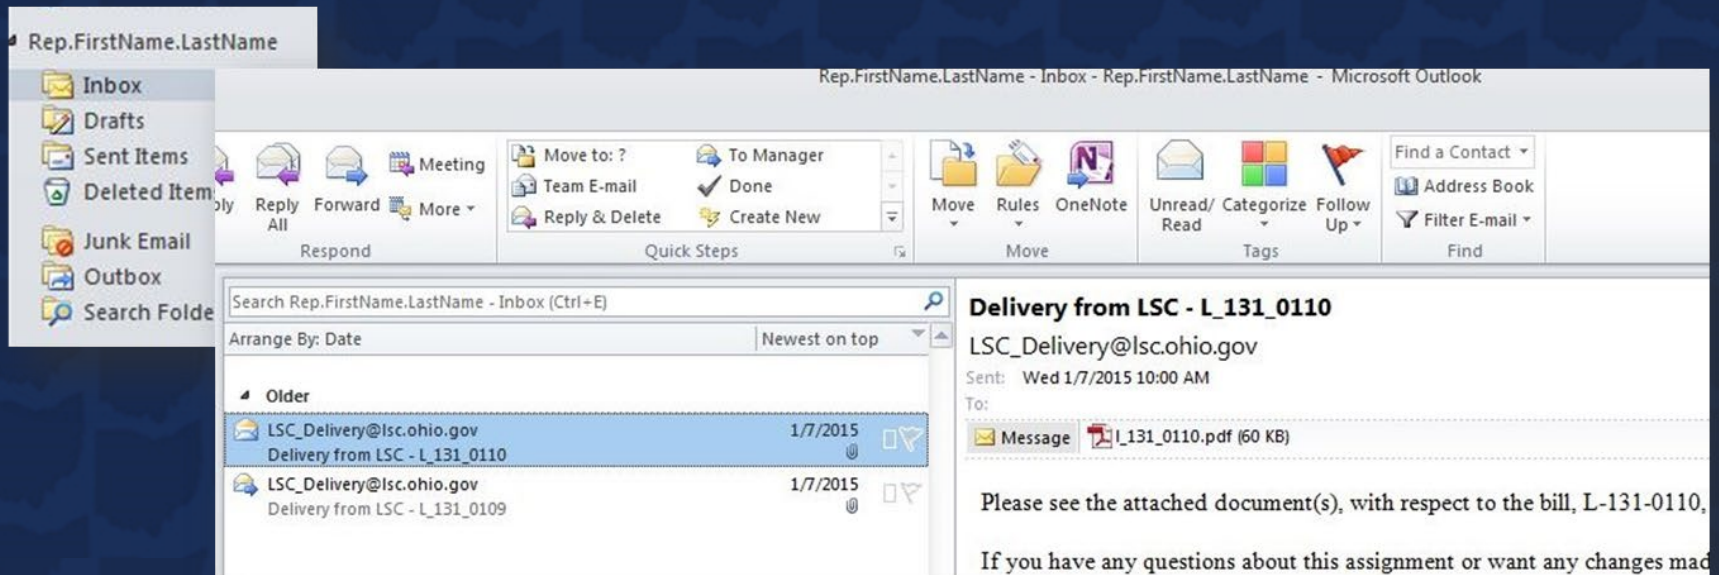

# RECEIVING ASSIGNMENTS FROM LSC

---

- LSC delivers completed assignments to requestors through SOLAR, which is the electronic system LSC uses to track and draft assignments.
- Each legislator has an email inbox especially for the purpose of receiving completed assignments from LSC through SOLAR.
  - Senate format: `sen.firstname.lastname@solar.ohiosenate.gov`
  - House format: `rep.firstname.lastname@solar.ohiohouse.gov`
- Caucus staff receive assignments in their regular inboxes (firstname.lastname).

# RECEIVING ASSIGNMENTS FROM LSC

- A legislator's SOLAR email inbox is available through Outlook.
- If you need assistance in accessing this inbox, please contact the House or Senate IT Help Desk.

Time for a pop quiz!

---

# QUESTION 1

---

True or false?

LSC is responsible for maintaining the laws of Ohio in proper order in conformance with the Ohio Revised Code.

# QUESTION 1 – ANSWER

---

True.

Ohio law requires the LSC Director to be the "codifier of the laws of the state." LSC is responsible for making sure that laws that the General Assembly enacts are numbered in conformity with the Revised Code.

## QUESTION 2

---

True or false?

LSC may provide legal opinions and advice to members of the Ohio General Assembly.

## QUESTION 2 – ANSWER

---

False.

LSC staff members may research what the law states, but may not provide legal opinions or any legal advice to members of the General Assembly or to legislative staff.

# QUESTION 3

---

True or false?

The 14-member Legislative Service Commission is appointed by the Governor.

## QUESTION 3 – ANSWER

---

False.

The Legislative Service Commission is a legislative body appointed by the leaders of the General Assembly. House members are appointed by the Speaker of the House of Representatives and Senate members are appointed by the President of the Senate.

# QUESTION 4

---

True or false?

Anyone who is interested in legislation may ask LSC to draft a bill.

# QUESTION 4 – ANSWER

---

False.

Because LSC is the research and drafting agency for the General Assembly, LSC staff may accept assignment requests only from members of the General Assembly or their staff.

# QUESTION 5

---

True or false?

LSC drafts honorary resolutions and commendation letters on behalf of legislators.

# QUESTION 5 – ANSWER

---

True.

The Resolutions and Commendations Division of LSC drafts honorary resolutions and commendation letters upon request of legislators. These are drafted in accordance with guidelines that are set by the House and the Senate.

# QUESTION 6

---

True or false?

LSC may forward research done for a member to a legislator or staff person in the same political caucus.

# QUESTION 6 – ANSWER

---

False.

LSC may not forward any research done for a member to anyone, not even a member of the same political party caucus or to a staff person.

Legislation drafted and research done for legislators are confidential unless the legislator for whom the work was done makes it public.

# QUESTION 7

---

True or false?

Since amendment requests are not bills or general research, they are not confidential.

# QUESTION 7 – ANSWER

---

False.

Amendments that LSC prepares, like bills and research requests, are confidential until the legislator for whom the work was done makes them public.

# QUESTION 8

---

True or false?

LSC provides bill analyses and fiscal analyses of pending legislation.

# QUESTION 8 – ANSWER

---

True.

LSC prepares an analysis of each bill heard in committee in time for its first hearing.

A fiscal note of each bill heard in committee is prepared by LSC in time for the second hearing.

Both documents are updated to reflect any changes as the bill progresses through the legislative process.

# QUESTION 9

---

True or false?

If requested, LSC responds directly to constituents.

# QUESTION 9 – ANSWER

---

False.

LSC does not respond to legislators' constituents directly. If a legislator needs information to address a constituent's question and asks LSC for help, LSC will provide research to the legislator. The legislator can then respond to the constituent.
